## PRELIMINARY PROGRAM

The preliminary program can be viewed at [www.agshowsnsw.org.au/seminar2018](http://www.agshowsnsw.org.au/seminar2018) from Monday, 14 May 2018. The program can be subject to change without notice. We encourage participants to check the website regularly.

The Seminar program will cover a range of topics including insurance and crisis management, Crown Lands issues, entertainment, youth engagement, volunteer welfare, Showgirl and much more.

The Seminar will also tackle the difficult issue of managing conflict in Committees. Dealing with different and sometimes challenging personalities is a problem we all face - whether on a show committee or in life generally. When it isn't handled well, the results can be destructive and far reaching. **CATHERINE GILLESPIE** from *Workplace Harmony & Conflict Resolution*, has over 20 years' experience on the subject and will pass on her best tips to navigate this area. Catherine will also conduct two special workshops on the Sunday: one for Secretaries and one for Committee Members. More information on the workshops will be sent out to participants in June.

## WHO SHOULD ATTEND?

The seminar is designed to inform Show presidents, treasurers, secretaries, committee members and volunteers.
