PRESIDENT'S MESSAGE

The Berrigan A. & H. Society would like to welcome all visitors, competitors, exhibitors, judges and volunteers to our 123rd Annual Show.

This year, the Show will provide a program full of entertainment for all our patrons. I would like to acknowledge and thank all our sponsors for their great support which ensures we have a high-quality entertaining Show with many free family activities. We have Inflatables R US bringing us lots of children's amusements which has been generously sponsored by Community Bank Coleambally - Bendigo Bank. Our committee would like to thank the Community Bank Coleambally – Bendigo Bank for this tremendous support.

Congratulations to Stavia Morgan winning the VAS Junior Photography – “Animal/s in Action” and Del Schweicker placing third in VAS Patchwork, both at last year's Royal Melbourne Show.

Brooklynn Dowling from Savernake was named the 2022 Berrigan Show Young Woman and then represent Berrigan and district at the Zone Final in Albury. Brooklynn did a fantastic job promoting rural women's contribution to agriculture and her involvement in her local communities.

Congratulations to Greg Dickins and A. L. Dickins & Co who won our local Annual Dryland Wheat Competition. Their winning crop then qualified for the Western Regional Final and was awarded second place, a great achievement.

Finally, I would like to thank my committee and all our volunteers who do so much work organising and producing our show.

VASL JUNIOR SHOW AMBASSADOR

STEWARD: Lyndall Horne - Secretary 0438 852610

Open to ambassadors aged between 16 and 19 years on the day of their Local Show.

Each Show can run a Junior Show Ambassador Show qualifier and the winner at Show Level then represents the Show at the Group Final.

Gallagher

An ambassador having won at their Local Show Level is not eligible to enter any other Show or represent another group.

The winner of the Group Final then represents the Group at the State Final, which is held at the annual VAS Convention.

Each Finalist will be judged based on the criteria below.

At the State Final the Finalists will need to provide a cover letter and resume that will be given to the judges.

Each Finalist will be interviewed by a panel of three judges and the winner will be announced at the Convention Dinner.

Judging Criteria

- Local Show Involvement (15 Points) – Entrants must demonstrate an active involvement and a desire to be involved in the future and improvement of their Local Show Society.
- Community Involvement (10 Points) - Entrants must demonstrate an active involvement and a desire to be involved in the future and improvement of their Local Community.
- General and Rural Knowledge (15 Points) – Entrants must demonstrate a broad general knowledge and an awareness of Local/National Community issues. Entrant must also have an understanding of current affairs relating to rural life and industry.
- Personality and Confidence (10 Points) – Personality Traits consistent with both the awards and the entrant's ambitions and goals will be assessed (e.g. enthusiasm, creativity, confidence, leadership).
- Ambitions/Goals (20 Points) - Each Entrant's ambitions and goals will be assessed on their integrity and relevance to the awards. Entrants must demonstrate steps towards achieving their goal.
- Communication Skills (20 Points) – Entrants are expected to demonstrate effective communication skills – written, oral and interpersonal.
- Presentation and Grooming (10 Points) – Entrant's presentation will be assessed according to the suitability of their attire and conduct in a range of contexts.

Berrigan is part of the Goulburn Valley Riverina Shows Association (GVRSA) Group for the Junior Show Ambassador Award. Entrants are judged at local level, the winner then goes on to compete in the GVRSA Group level, in April 2024. One winner is selected from the 10 affiliated GVRSA show societies to go on and represent GVRSA in the State Final held in late June early July every year at VASL State Convention.

RM WILLIAMS RAS RURAL ACHIEVER AWARD

The R.M. Williams RAS Rural Achiever Award is a state-wide leadership program run by the Royal Agricultural Society of NSW to recognise future young leaders who are working hard to make a significant contribution to their local community and to rural Australia. The Award aims to acknowledge the achievements of young people (20–29 years of age) in primary industry and rural communities.

The program promotes and facilitates unique agricultural industry networking opportunities with rural leaders and other likeminded individuals through RAS and ASC connections and functions during the Sydney Royal Easter Show. This heightens the opportunity for the recipients to become future leaders in primary industry or the rural community.

The recipients are given additional opportunities throughout the year such as representing NSW at the National Rural Ambassador Award, and the chance to partake in an exchange program.

As part of an ongoing alumni program the hope is that Rural Achievers also become ambassadors for the RAS and the wider Show movement.

If you wish to enquire about the Award, please contact the RAS on 02 9704 1160 or ruralachiever@rasnsw.com.au

Eight Rural Achievers are selected to receive an extensive eight-day program of events during the Sydney Royal Easter Show. Itinerary includes function at Government House, stewarding, behind-the-scenes look at the Show, dinners with respected agricultural industry leaders, plus:

- A share in \$17,000 prize money
- A unique and extensive variety of networking opportunities with agricultural industry leaders and delegates.
- A uniform provided by R.M. Williams & RAS embroidered Akubra
- Complimentary 1 year RAS membership
- Personalised Mentor Program with RAS representative for duration of 1 year.
- Professional development sessions lead by respected industry professionals.

PLEASE READ YOUR SCHEDULE CAREFULLY

1. All Exhibits are to be the absolute bona-fide work of, or grown by, the exhibitor named on the entry form.
2. Exhibits shall not bear any identifying mark of ownership.
3. Pavilion will be closed to the public during the judging of exhibits.
4. The Judge's decision shall be final.
5. The Judge shall have the power to say if any exhibit be not worthy of a first prize.
6. Where there is only one (1) entry the judge may award a first prize if the exhibit is of sufficient merit.
7. The steward, under the direction of the Chief Steward, reserves the right to move an article from one class to another or from one section to another in the following - Class J Farm and Dairy Produce Section C, Class L Cooking, Section LA Junior Cooking, Class M – Jam and Preserves, Class N – Needlework, Section NA Junior Needlework, Berrigan A & H Society CWA Cup, Aged Care Facility Home Crafts, Class O - Cut Flowers, Class P – Education, Class Q – Arts, Class R – Crafts & Lego Class S – Scrapbooking, Class SJ – Jewellery & Beading and Class T – Photography.

HINTS AND TIPS FOR EXHIBITORS

FRUIT, VEGETABLES AND EGGS

- Fruit/vegetables should be typical of the variety mentioned in the schedule, free from disease, insect or other damage. The fruit/vegetables should be uniform in shape and size and be clean, bright and free from dust. There should be no blemishes. Take off bad leaves
- Vine grown produce must have stalk left on.
- Root vegetables must retain their leaves.
- **Citrus fruits** should have stems cut close to the surface of the rind leaving green plump sepals. A tip with citrus fruit is that freshly picked fruit usually has a thicker pith, which is not desirable. Colour should be shiny and glowing, with no scale. Segments should be plump with good taste
- Eggs should be clean and uniform in size, colour and shape. Do not wash eggs as this removes the natural bloom. Use of clean nesting material in the days before the show is best, but if really necessary, a slightly damp cloth may be used to clean eggs.

COOKING AND JUNIOR COOKING

- Read your recipe and always weigh or measure ingredients accurately.
- Never use a packet cake mix - unless stated in Schedule.

- It is most important to use fresh ingredients, especially the shortening.
- Use caster sugar for finer textured cakes.
- Do not use a skewer to test a cake as it leaves a hole.
- No wire rack marks on any side of cake. The marks are regarded as decoration. Instead, turn cake onto a board covered with tea towels.
- Do not put cakes in plastic containers or bags before judging as this can draw moisture - use cellophane for best results.
- Do not trim the cake.
- Use correct tin size or shape as stated, e.g. bar tin.
- All ordinary cakes are to be iced on top only. But read the schedule carefully noting iced or not
- The Judge is looking for cakes with firm, even texture without airholes. The top, sides and base should be even in colour. The height of the cake should be in proportion to tin size. All entries will be judged on fineness, neatness and appearance.
- The judge reserves the right to cut cakes for judging and tasting unless stated otherwise
- **Novelty cake** is a fun, amusing, odd-shaped, non-traditional cake – not to be cut
- **Decorated cake** is either round, rectangular or square and decorated with icing and other edible decorative items
- **Lamingtons** – Use butter cake mix, uniform size 4cm (1½ in) square.
- **Chocolate Cake** – Fine soft mixture. Blend cocoa with a little hot water and cool before adding to mixture.
- **Orange Cake** – Fine even texture, golden brown and well flavoured with orange.
- **Patty Cakes** – Moist fine texture, peak to rise above paper.
- **Plain Sponge** – No butter, both layers same thickness with same mixture. Do not use cornflour in sponge cakes, unless it is stated in the Schedule. Weigh sponge mixture for even heights of layers. Do not use a ring tin unless stated in the Schedule. Do not over-flavour, especially soda.
- **Pavlova** – Marshmallow in centre, no colour.
- **Scones** – Dainty 4 to 5 rounds with uniform shape and colouring, free from excess flour. No flour on top, Glaze with butter after cooking. Best cooked on day of judging
- **Fruit Cake** – Cut all fruit currant size. Round tins are better than square (except for ASC/VASL Senior Fruit Cake Competition where **square** tin is required) and cakes best made three weeks before Show to allow maturing. Drop cake on bench to even out cake. Too hot an oven causes cracks.

CAKE FREEZING POINTS

- For Show work – never freeze sponge cakes, fruit cakes or shortbread. Fruit cakes and shortbread improve in flavour by keeping them out of the freezer.
- Most cakes are suitable for freezing. Make sure the cake has cooled thoroughly before freezing. Wrap tightly with cling wrap so there is no air between the cake and the wrapping. You can either put the cake in a dish or just wrap in paper to freeze.

- For Show work, ice after thawing
- Thaw the day before the Show wrapped in a towel to absorb any moisture.
- Biscuits freeze well. Wrap Show biscuits in cello-paper. Put each pack into a plastic dish and freeze. To thaw, take dish out of freezer and leave in air tight container until ready to use
- Scones can be frozen, but must be taken out the morning of the Show and wrapped in a tea towel

JAMS AND PRESERVES

- Jams not to be exhibited in small jars, smallest approx. 250 gm
- Open jars before exhibiting to check contents for mould etc
- All exhibits must be clearly dated and labelled
- All sauces to be in Sauce Bottles
- Pickled onions and clear pickles may be exhibited in fancy jars.
- Strain lemon butter

NEEDLEWORK AND JUNIOR NEEDLEWORK

- Needlework must not be washed
- Work must be that of the exhibitor, within the last two years
- Any identification on an article must be covered
- Work should be clean and well-presented and should conform exactly to the Schedule.

Sewing and Patchwork:

- Stitching and seam finishes should be uniform throughout the garment.
- Open seams or overlocked seams should be used for most garments. Generally, french seams for lingerie, baby wear and blouses.
- facings - attached, clipped to stitching and caught down only on seam points
- hems - either blind or French hem
- collars and lapels same length
- button holes right direction
- Machine work must show straight, even stitching with seams neatly matched and hems exactly even.

Crochet and Knitting:

- The overall appearance of the exhibit should be attractive, fresh and clean.
- The pattern, choice of yarn and tension should be suited to the purpose of the finished item, for example, soft yarn for baby wear or a firm tension for work wear and socks.
- The finished garment or article should be wearable (if appropriate) and well designed. For example, neck openings neither too big nor small, appropriate sleeve length.
- The piece must demonstrate that the knitter's technique is competent, with the exhibit displaying no holes, loose stitches, dropped stitches, long threads, knots or joins in the middle of rows.
- The colour harmony, choice and difficulty of the pattern and techniques selected to create the garment will be assessed in determining the aesthetic appeal of item.

- Fine crochet such as doilies should lie flat with no puckering.
- Tapestry and Embroidery** are judged on evenness, neatness and straightness of stitching. Quite often the inside finishes of an article help the judge decide between two equally good exhibits.
- Embroidery:** Your entry should be attached with pins to coloured cardboard (the colour to complement work). Work should not be started or finished with knots - it should be invisibly finished. A tip is to press embroidery well from both sides, with padding underneath when pressing the wrong side.
- Cross stitch:** The stitches on the reverse side should go all the same way. All stitches on the right side must have the top of the stitch going in one direction

HANDICRAFTS

- The exhibits in the craft section are many and varied, but the judge will be looking for original work. Much depends on the finish of the exhibit.

VASL COOKING, HANDICRAFT AND PHOTOGRAPHY

- **Professionals are not eligible to compete**

CUT FLOWERS

- Truss – Bunch or cluster of flowers on top of stem
- Spike – Flowers down the stem

HANDWRITING

Section 1: Kindergarten - Pencil

The quick sly fox jumped over the lazy brown dog.

Section 2: Year 1 - Pencil

Section 3: Year 2 – Pencil

The Queen of Hearts, she made some tarts,
All on a summer day:
The Knave of Hearts, he stole those tarts,
And took them quite away! --- (Lewis Carroll – Alice in Wonderland)

Section 4: Year 3 – Pencil

Section 5: Year 4 – Pencil

Alice was beginning to get very tired of sitting by her sister on the bank, and of having nothing to do: once or twice she had peeped into the book her sister was reading, but it had no pictures or conversations in it, 'and what is the use of a book,' thought Alice 'without pictures or conversation? --- (Lewis Carroll – Alice in Wonderland)

Section 6: Year 5 – Pen

Section 7: Year 6 – Pen

There was nothing so very remarkable in that; nor did Alice think it so very much out of the way to hear the Rabbit say to itself, 'Oh dear! Oh dear! I shall be late!' (when she thought it over afterwards, it occurred to her that she ought to have wondered at this, but at the time it all seemed quite natural); but when the Rabbit actually took a watch out of its waistcoat-pocket, and looked at it, and then hurried on, Alice started to her

feet, for it flashed across her mind that she had never before seen a rabbit with either a waistcoat-pocket, or a watch to take out of it, and burning with curiosity, she ran across the field after it, and fortunately was just in time to see it pop down a large rabbit-hole under the hedge. --- (Lewis Carroll – Alice in Wonderland)

NATIONAL SHEEP HEALTH DECLARATION - EXPLANATORY NOTES

Overview

Completing this National Sheep Health Declaration (NSHD) will assist prospective buyers to make an informed decision about the health status and management history of these sheep. The NSHD is mandatory for all sheep movements in SA and for sheep being moved into NSW and Tasmania. It is voluntary in other states.

Livestock Production Assurance (1)

Livestock Production Assurance (LPA) program accreditation means that a property must have a biosecurity plan for the property. [The National Farm Biosecurity Reference Manual for Grazing Livestock Production](#) can be used to develop plans or further information including templates is available at: www.animalhealthaustralia.com.au/what-we-do/endemic-disease/farm-biosecurity-plan

Footrot (3 and 4)

3. Virulent footrot is defined differently in each state. For information on this and interstate movements of sheep, producers should visit the relevant state department website or contact animal health staff from that department.

4. If answered Yes, all mobs should have been checked during at least one spread period, and any lameness investigated, with no symptoms of the disease observed. If answered no, producers can add any information about the disease and their management of it; e.g. whether any testing has been carried out, or what treatments may have been used recently.

Lice (5)

All mobs should be checked for lice at least twice each year. Any sheep seen with rubbed fleece or pulled wool should be checked for lice as a matter of urgency. Further information is available at: www.paraboss.com.au

Approved Vaccinate (7)

A sheep that is identified by an NLIS (sheep) 'V' tag and is:

- vaccinated with an approved JD vaccine by 16 weeks of age, OR
- vaccinated with an approved JD vaccine after 16 weeks of age, when the flock:
 - was in the SheepMAP, or
 - had undertaken a negative Faecal 350 test in the two (2) years preceding the vaccination, or
 - had a Negative Abattoir 500 status at the time of vaccination.

SheepMAP (8)

An audited quality assurance program incorporating a property biosecurity plan, animal health risk assessment, testing, and movement controls that provide a source of low risk animals. Note - the level of testing varies depending on the status. Date of last test should be recorded in Q9.

Types of tests that may be recorded (9)

Faecal 350: A test of 350 representative sheep over 2 years of age (or all sheep over 2 years of age in smaller flocks) by Pooled Faecal Culture (PFC) or High Throughput Johnne's (HT-J) PCR in pools of up to 50 sheep. The sheep must have been on the property for at least 2 years.

Abattoir 500: At least 500 sheep, over 2 years of age, have been submitted to an abattoir in the past 24 months, in 1 or more lots, have been examined and all found negative for JD. The sheep must have been on the property for at least 2 years.
