

**SYDNEY ROYAL HORSE SHOW
2024 GUIDELINES FOR PERFORMANCE
ALL PERFORMANCES MUST BE SUBMITTED AT TIME OF ENTRY**

**There will be no additional performance accepted after close of entries:
WEDNESDAY 29 NOVEMBER 2023**

The RAS have a limited number of stables to allocate at the Sydney Royal Easter Show and stabling availability substantially determines the maximum number of Exhibits that we can accept into our Competitions.

The RAS has traditionally used performances gained according to its Performance Guidelines as the fairest way to select the best Exhibits and Competitors from amongst those who enter to compete at the Sydney Royal Horse Show.

The RAS will accept performances to be submitted in the following categories and the Committee will take all information into account in the fairest way they can when offering acceptances of entry for the 2024 Show:

1. Any performances gained between Thursday 1 December 2022 and Wednesday 29 November 2023 towards the following performance requirement:
*As detailed section by section hereunder, saddlehorses and show hunters require a minimum of FIVE (5) open wins during the official performance period. This requires at least **FOUR (4) open wins from Agricultural Shows**, and no more than **ONE (1) open wins from a non-agricultural (Breed or Hack) Show**. The majority of breed classes need a minimum of three (3) wins in the Class that is relevant to what you will be entering (e.g. Three (3) open breed led wins if you are entering led Classes and three (3) open breed ridden wins if you are entering under saddle).*
2. Consideration may be given to exhibits who placed at the 2023 Sydney Royal Horse Show. Exhibitors are encouraged to submit results where an exhibit placed at the 2023 Show.

Please note: The RAS cannot provide a copy of any past performances submitted. It is the responsibility of exhibitors to re-submit their performances accurately.

All horses entered must be microchipped and registered on a recognised National Registry. All horses entered must also be registered with a BREED SOCIETY recognised by the ROYAL AGRICULTURAL SOCIETY of NSW (refer to Schedule) or with EQUESTRIAN AUSTRALIA, or the SHOW HORSE COUNCIL OF AUSTRALASIA. Only horses entered in Business Delivery & Turnout Classes and Heavy Horse Obstacle classes are not required to be registered.

If results are incorrectly recorded (Name, date of show, number in class, award gained, type of class, judge and exhibitor), the performance may not be accepted.

First place, Reserve Champion, Champion or Supreme Champion winners from the 2023 Sydney Royal Easter Show or any other State Royal Shows within the performance period are **not** afforded automatic entry into classes for future shows.

A "WIN" is considered as:

- First place, Champion or Reserve Champion in Open Classes at Agricultural Shows. An OPEN CLASS is one that does not restrict entrants. Examples of restricted Classes include Novice, Intermediate, Maiden, Local, etc.
- First, second, third and fourth placing in Open Classes at State Royal Shows, being Sydney, Melbourne, Brisbane, Canberra, Perth, Darwin, Adelaide and Hobart. Please note: Bathurst, Geelong, Toowoomba, Launceston and Norfolk Island are considered Agricultural Shows, not State Royal Shows.
- First and second placing in a Novice Class at the previous Sydney Royal Horse Show will be considered as a win.
- Only one (1) Lady's, Gentleman's or Child's HACK OR SHOW HUNTER event win, may be included as part of your performance.
- For Show Hunters only, one (1) Working Show Hunter event win may be included as part of your performance.

A first place in **Open Class** at the Sydney Royal Horse Show will be the equivalent of two Agricultural Show wins.

If you win a **NOVICE CLASS** at a State Royal prior to the 2024 Sydney Royal Easter Show, it is the Exhibitor's responsibility to officially withdraw from the Novice Class entered into, or transfer into an Open Class, if they are not already entered. If a horse has won an Open/Childs/Adult/Lady/Gent Class at a State Royal Show it is no longer considered a novice. If a rider has won an Open or Novice class at a State Royal Show, he or she is no longer considered a novice. An Exhibit that has qualified to compete in an Open Championship Class at another State Royal will no longer be eligible to compete in a Novice Class at Sydney Royal. A child under 17 years who has won an open or novice riding class at a State Royal will be eligible to compete as an adult novice rider, whilst eligible.

ONLY ONE PERFORMANCE FROM EACH SHOW WILL COUNT If you win your Open Class and then go on to win the Champion, only one will count as a win (including performances from Royal Shows). Should you place first in a restricted (e.g. Novice, Intermediate, etc.) Class and go on to win the Champion or Reserve, the Champion or Reserve will be counted. Similarly, if you place second (in open or restricted Class) and go on to gain Reserve Champion, the Reserve Champion will be counted as a win.
