PRESIDENTS REPORT 2019

Dear Members & Guests

Once again it has been a very difficult year for the Binnaway Show Society with "Mother Nature" ruling the roost! But with the incredible numbers of the Binnaway District through the gate on Show day and the tireless work of our great committee we were able to stage a wonderful Show.

The Society has been well supported by the many Businesses that have advertised in our Show Schedule which helps us with printing costs of the Schedule.

It was a delight to see Pam rewarded for all her tireless work as the Secretary with a Life Membership. I thank her for all she does. Thankyou to Larry, Jane, James and Emma for all your effort. I only have to ask and it is done!!!! I also thank everyone who has helped at any time throughout the year.

The Society are thrilled that Millie Riley represented our Show in the Show Girl Competition. It is great to have a Binnaway Show Girl again after a gap of so many years. Millie certainly did put us back on the Show Girl map and we wish her well in the years ahead.

The Society is very grateful to the Men's Shed for making the another 20 poultry cages for the Poultry Shed and for manning the gate on Show day and thank you to John Irons for making the frames.

Our Show started on Friday night with the opening of the Art Show and Photo section with around 90 guests attending. Thank you to Michelle Rapley who did a wonderful job with the assistance of her capable team.

Show Day began with a great roll up of entries in the horse, sheep, cattle, yard dogs and poultry sections as well good entries in the Pavilion. With the dry weather we are very grateful to the Binnaway Fire Brigade for their help with laying the dust and helping in the Yard Dog section. We are very grateful to the McKay Family for the generous loan of their sheep for the Dog Trials. There were over 70 entries in this section which is amazing. Thank you to Bob Fenwick for the use of his yards once again.

The Society is very appreciative to all the wonderful workers in the kitchen who not only work hard on Show Day but other occasions as well The Lions Club does a great job on the BBQ not only on Show Day but at many other events too. Thank you to Kevin Stewart for looking after the bar. The Junior Judging Day was a huge success with over 170 students taking part. Many thanks to Simone and her team for all their organisation. The kids had a great day and learned a lot. Thank you to all those who spoke and to all who provided stock and produce for the day. The Showground grass is kept neat and tidy by our local men for which we are very grateful.

Thank you Charles for keeping an eye on the Show Ground throughout the year. It is very helpful to know someone is watching it for us We thank the side show organisation for their support. They are a vital part to our Show and one which the kids look forward to each year Thank you to all the judges and stewards who give so generously of their time and expertise to make our Show such a success. It is with great sadness that we say goodbye to Rob and Darleen Bennett and thank them both for the incredible work they both did for the Show in many ways.

Thank you to Jilly for all your support to me over the years and I declare the Presidency position open.

Harry Powell
