

AGRICULTURAL SOCIETIES COUNCIL OF NSW LTD
RAIN FUND EXAMPLE

Complete the application form and send to the ASC of NSW.
This must be received by the ASC at least 14 days prior to your show.

Contribution

% depends on annual rainfall in area

Your show's 3 year average gate takings and membership x the applicable contribution % based on your local annual rainfall.
(In 2017 = 2016 gate takings and membership + 2015 gate takings and membership + 2014 gate takings and membership, divided by 3)

Example, 3 year average gate takings and membership equals \$ 10,000.00
Example assuming high rainfall area \$ 750.00
(\$10,000 x 7.5%)

%	Annual Rainfall
7.50%	over 762mm
6%	508-762mm
4%	under 508mm

Rain falls on the day and less people attend, or rain could fall in the days before the show and events are cancelled.

If rain impacts your show you must notify the ASC within 7 days of your show and submit a claim within 21 days.

On the claim form state the amount of rainfall and when it fell and how this impacted your show's gate takings.
