## Personal Development Weekend for Showgirls and the progressive woman

**Style,  
Image &  
Well Being**

Weekend 1

24th & 25th November, 2018

Or

Weekend 2

2nd & 3rd February, 2019

## Thinking of the future?

Showgirls and young women wishing to further their career prospects and would like to have the self confidence to lead in their field of choice would greatly benefit from our Showgirl personal development weekend.

In the 1980's lifestyle was associated with consumerism, affluence, indulgence and excess. Nowadays we're likely to equate lifestyle with balance, health, wellbeing, personal development and living by our values

Our workshop will be conducted by Ms. Kristine Moore, a former June Dally-Watkins educator. Kristine brings with her 30 years of personal development and corporate training and her aim is to have an informative and fun weekend.

A Sydney Royal Easter Showgirl winner will be our guest speaker attending the Dinner on Saturday evening.

A statement of attendance will be issued on completion of the weekend to be included in your resume.
