

PESTIVIRUS (BOVINE VIRAL DIARRHOEA VIRUS)

Suggested Wording for Show Schedules

- ***Cattle must not be exhibited unless tested for Pestivirus and certified as non Persistently Infected (PI) cattle.***
- ***Certification of testing and proof of non PI status will be required at the time of Entry in the form of a signed Veterinary Certificate or Laboratory Report, listing animals and their identification. Testing results will be verified by the Cattle Section.***
- ***A National Cattle Health Declaration must be completed for all cattle attending your show. A copy of the declaration is available on the website and also attached here: https://www.farmbiosecurity.com.au/wp-content/uploads/2022/11/National-Cattle-Health-Declaration_2022.pdf . This form also confirms, among other things, Pesti Virus Vaccination.***
