2. One entry may be made in the name of the owner of the property on which the wheat is grown. However, if it is a share farm or partnership arrangement the entry may be submitted in joint names.
3. Individual competitors will be notified of the date and time when the local judge will inspect the crop by the competition coordinator. On receipt of this notice competitors must complete the enclosed cropping details sheet, ready to hand to the judge.
4. A competitor is not eligible to enter in two different local competitions with a crop or crops from the one property in respect of the AgShows NSW/Suncorp Bank Field Wheat Competition.
5. Varieties of wheat shall be limited to Bread Wheats only, and those currently recommended by the Regional Silo Group for the location in which the crops are grown. Each competitor must enter a plot of 16 hectares of wheat of one variety. It must have been sown in one paddock. One side of the pegged area must be bordered by a fence, waterway, creek or roadway. Areas which are pegged irregularly across a paddock to avoid poor or eroded patches are not eligible. Recognised soil erosion control measures including strip farming shall not prejudice the interpretation of this condition.

11. Sponsors are vital to the success of the AgShows NSW/Suncorp Bank Field Wheat Competition, providing essential support such as funding, transport, and promotional reach. Their generous contributions help ensure the competition runs smoothly across all regions. Developing strong networks between sponsors, competitors, coordinators, and judges plays a key role in maintaining the strong, mutually beneficial relationships that underpin this event. To support these connections, it is necessary for AgShows NSW and other parties to share relevant information and contact details. To assist with this, please ensure the recording sheet is completed accurately, noting the option to opt out of information sharing.
