FROM THE PRESIDENT

It is with great pride that I welcome you to the 2018 Carcoar Show, "The Best Little Show in the Country."

It is my first year as President and I thank everyone on the committee for their encouragement and support over the past year. This will be the 141st Carcoar Show, an event which has grown to become a pivotal event in the Carcoar community. The Show attracts hundreds of people to Carcoar each year and is a significant event in the Blayney Region. This would not be possible without the support of the local community and its volunteers.

The Carcoar Show happens every year without fail due to the fantastic efforts of a hardworking, experienced and dedicated group of volunteers. These volunteers spend countless hours over many months working in a variety of roles to bring this event to fruition. As Show day comes around we gain another wave of volunteers who assist in many ways and take on a variety of jobs to ensure the Show's success. Please take the time to acknowledge them and thank them for their efforts.

Local shows are what brings us as a community together, especially in these hard times of drought. It is a place where the local farmers can share their stories, show their hard efforts in local produce, and is an integral event to help continue to build a strong, vibrant rural community.

I would also like to acknowledge and thank the numerous sponsors that have continued to support our Show every year. Your sponsorship is invaluable to the Carcoar PA&H Society and we urge our community to support them in return.

Being a part of the ASC of NSW, we help to provide grants and scholarships to help rural Australians realise their potential through education, make a difference in their communities and achieve their ambitions.

In closing, I invite everyone to have a wonderful and relaxing Show day enjoying the many and varied activities, features and displays on offer.

2018 CARCOAR SHOW FEATURE CAKE IS DUKE AND DUCHESS OF SUSSEX- LEMON & ELDERFLOWER WEDDING CAKE

Entrants - please use the recipe below

PREP: 1.45 hours **COOK:** 1.30 hours **MAKES:** 20 Servings
(Capable Carcoarian Cooks)

INGREDIENTS

375g unsalted butter, chopped, at room temperature
700g (31/4 cups) caster sugar
6 eggs
3 lemons, rind finely grated, juiced (you need 60ml/1/4 cup juice)
450g (3 cups) self-raising flour
225g (1 1/2 cups) plain flour
500ml (2 cups) milk
130g (1 1/2 cups) desiccated coconut
60ml (1/4 cup) elderflower cordial (available at supermarkets)
300g carton double cream
285g (1 cup) lemon curd (available at supermarkets)
Citrus or White Lindt Lindor Balls, to decorate
Icing sugar, to dust
White cachous in assorted sizes, to decorate
Baby's breath flowers, to decorate (optional)

MERINGUE KISSES

2 egg whites, at room temperature
Pinch of cream of tartar
100g (1/2 cup) caster sugar
Yellow icing colour paste, to tint

SWISS MERINGUE BUTTERCREAM

4 egg whites
215g (1 cup) caster sugar
400g unsalted butter, chopped, at room temperature

LEMON DRIZZLE

180g white chocolate, finely chopped
80ml (1/3 cup) thickened cream
Yellow icing colour paste, to tint

METHOD

1. Preheat the oven to 180C/160C fan forced. Grease three round 20cm cake pans and line the base of each with baking paper.
2. Use electric beaters to beat the butter and 645g (3 cups) sugar in a bowl until light and fluffy. Add the eggs 1 at a time, beating well after each addition, until well combined. Beat in the lemon rind. Use a large metal spoon to fold in the flours, milk and coconut until well combined. Divide the mixture evenly among the prepared pans and smooth the surface of each. Bake for 45 minutes or until a skewer inserted into the centres of the cakes comes out clean. Set aside to cool slightly before transferring to wire racks to cool completely.
3. Meanwhile, to make the meringue kisses, reduce the oven temperature to 120C/100C fan forced. Line 2 baking trays with baking paper. Use electric beaters to beat the egg whites and cream of tartar in a clean, dry bowl until firm peaks form. Gradually add the sugar, 1 tbs at a time, beating constantly until the sugar dissolves and the mixture is thick and glossy. Carefully stand a piping bag fitted with a 1.5cm plain nozzle upright in a tall glass. Use a small paintbrush to very lightly paint 4 even stripes of yellow food colouring down the inside length of the bag. Carefully spoon the meringue mixture into the piping bag and pipe small peaks onto the prepared trays (the colours will vary the more you pipe). Bake for 30 minutes or until the meringues are crisp and dry. Turn the oven off and leave the meringues in the oven, with the door closed, to cool completely.

4. Combine 60ml (1/4 cup) lemon juice and the remaining 55g (1/4 cup) caster sugar in a small saucepan over low heat. Stir for 2-3 minutes or until the sugar dissolves. Remove from the heat and stir in the elderflower cordial. Set aside to cool.
5. Use a balloon whisk to whisk the double cream in a bowl until soft peaks form. (Do not overbeat, as the cream can easily curdle.)
5. To assemble the cake, trim the top of each cake to flatten. Place 1 cake layer, cut side down, on a cake board or serving plate. Brush one-third of the elderflower syrup over the top of the cake. Spread with half the whipped cream, then top with half the lemon curd to cover. Top with another layer of cake and brush with half the remaining elderflower syrup. Top with the remaining cream and lemon curd. Brush the cut side of the remaining cake layer with the remaining elderflower syrup and place, cut side down, on top of the cake (the base of the last cake is now the top of the cake).
6. To make the swiss meringue buttercream, combine the egg whites and sugar in a heatproof bowl over a saucepan of simmering water. Use a balloon whisk to stir for 5-8 minutes or until the sugar dissolves and the mixture reaches 70°C on a cook's thermometer. Transfer to a clean bowl. Use electric beaters to beat for 5 minutes or until firm peaks form and the mixture is almost at room temperature. Gradually add the butter, beating well after each addition, until the mixture is thick and smooth.
7. Spoon 1 cup buttercream into a separate bowl and reserve. Spread a thin layer of buttercream over the top and side of the assembled cake. Place in the fridge for 15 minutes or until just firm. Spread the remaining buttercream over the top and side of the cake, allowing some of the side to show through. Place in the fridge to chill.
8. To make the lemon drizzle, place the chocolate and cream in a microwave-safe bowl. Microwave on High, stirring every 30 seconds, for 1-2 minutes or until smooth and combined. Tint with yellow food colouring. Set aside to cool slightly. Pour the lemon drizzle over the top of the cake, using a palette knife to quickly spread it to the edges and allowing it to drizzle down the side of the cake. Place in the fridge or in a cool place for at least 30 minutes to set.
9. Place the reserved buttercream in a piping bag fitted with a 1cm fluted nozzle. Place the Lindt balls on a plate and dust with icing sugar. Decorate the cake with the meringue kisses, Lindt balls, piped stars of buttercream, cachous and flowers, if using.

SECTION M: PHOTOGRAPHY

STEWARD: Mark Logan - 0418 223 440

ENTRY FEE: \$1 PER ENTRY

PRIZE MONEY: 1st Prize: \$5.00, 2nd Prize: \$3.00

Limit of 2 photographs per category.

Must be taken between November 2017 and September 2018

No entries that have been entered in previous Carcoar shows will be accepted

There are two sections

- **under 15 and adults (same classes for both.)**

STATE ON BACK OF PHOTO:

If you are under 15 years

Name,

Title of Photograph

Class Number

Price or NFS.

CONDITIONS OF ENTRY

Photos to be left at Carcoar Post Office,
by **Thursday 25th October at 5pm** for judging that evening.

All photos to be mounted on cardboard, matt board or similar with border at least 4cm (this prevents photo damage)

Max overall size 50cm.

No prints in frames or behind glass will be accepted.

Entries to be collected from the photography pavilion no later than after 4pm on the day of the show.

PHOTOGRAPHY CATEGORIES

Class 1. Natural landscape - This includes all beaches, sunsets, sunrises, cityscapes and landscapes that may contain a building.

Class 2. People - This includes cute baby pics, couples, models, fashion, families etc.

Class 3. Animals - The family dog, working dog, cat, bird or pet lamb, they're all allowed including wild animals and those in the zoo.

Class 4. Rural including Carcoar show - These must evoke some essence of the rural aesthetic. Easily confused with landscapes, the rural section must just yell 'Country life' Think hay bales, stock in a field, harvesters at sunset etc.

Class 5. Man made - It differs from a landscape as the building/object itself is the focus, rather than the building in its place. For this think of old cars, trains, architectural shots of buildings, even some sculptural elements of human design, bridges etc.

Class 6. Nature - this differs from natural landscapes as it includes close up and other natural shapes that nature serves up. Think flower buds, curling fern leaves, rock pools, waterfalls, bunches of flowers etc.

Class 7. Black and White - Chosen from the above categories.

There is no individual black and white category. People can submit B&W images into either of the classes and although we will have a prize for best monochrome, it's not a class of its own.

Best 5 images will need to provide a digital copy to Mark Logan so that he can run them on Page 2 of the Blayney Chronicle the week after the show.
